ABOUT CLIC SARGENT

- CLIC Sargent is the UK's leading charity for children and young people with cancer, and their families. Last year, we helped around 7,200 young cancer patients, and their families – more than ever before.
- When cancer strikes young lives CLIC Sargent helps families limit the damage cancer causes beyond their health.
- Cancer doesn't discriminate. Today, 11 more children and young people will hear the devastating news that they have cancer.
- From diagnosis, CLIC Sargent's specialist care teams will step in, ready to help, support and guide. We provide a specialist package of support tailored to each young cancer patient and their family.
